BOOK SYNOPSIS

Nora Whitmore has been through the ringer both professionally and personally. Now, her life is more than she ever thought it could be, especially with Kelli McCabe in it. The walls have come down, and she is open to new people and experiences. Kelli McCabe watched all the broken pieces of her life come together. The situation with her family settled down, and shes right where she wants to be back at work and in Noras arms. For both of them, this quiet time is just the devastating calm before the massive storm hits and brings with it the violence of a vengeful enemy and the reality of drug abuse. The chaos surrounding them exposes old wounds and individual vulnerabilities that seem to multiply when they are together. Is it too much for them to withstand? Or is what they have strong enough to overcome it all?
