BOOK SYNOPSIS

Written by a specialist in the field and featuring many before and after photos, this book provides detailed information on what permanent makeup can do, who benefits from it, how much it costs, finding the right professional, advantages and disadvantages, and more. Also includes information on practitioner certification, state regulations, and professional associations. A must for practitioners, cosmetic surgeons, tattoo artists, and those who want to improve their self-image, poise, and appearance once and for all.
