## BOOK SYNOPSIS

Once in a decade comes an account of war that promises to be a classic. Doing for Syria what *Imperial Life in the Emerald City* did for the war in Iraq, *The Morning They Came for Us* bears witness to one of the most brutal, internecine conflicts in recent history. Drawing from years of experience covering Syria for *Vanity Fair*, *Newsweek*, and the front pages of the *New York Times*, award-winning journalist Janine di Giovanni gives us a tour de force of war reportage, all told through the perspective of ordinary people—among them a doctor, a nun, a musician, and a student. What emerges is an extraordinary picture of the devastating human consequences of armed conflict, one that charts an apocalyptic but at times tender story of life in a jihadist war zone. Recalling celebrated works by Ryszard Kapusćin'ski, Philip Gourevitch, and Anne Applebaum, *The Morning They Came for Us*, through its unflinching account of a nation on the brink of disintegration, becomes an unforgettable testament to resilience in the face of nihilistic human debasement.
